<b>Title:</b>	Bill 10 Public Works, this evening Providing that a section of Ann Street on the east side of Allentown between East Maple Street, South Albert Street, East Walnut Street and South Bradford Street, be called "John Snyder Way." This was initially introduced as a resolution, the committee had no issues changing the name of the street, which needs to be done by ordinance. There are no property owners impacted by the legislation. Public Works is fine with the change.
