- Description of project or scope of services to be provided:

On October 22, 2021, the City advertised a solicitation in order to obtain the services of a qualified consultant to assist with a wide range of Stormwater Management Program support services to ensure compliance with, and develop required program components of, its Phase I, MS4 National Pollutant Discharge Elimination System permit. On November 19, 2021, the City held the Public Opening for which it received four (4) proposals. The technical evaluation was held on November 22, 2021. All committee members were present. The Proposal submitted by Pennoni was disqualified due to firm making changes to the Indemnification clause on our RFP document. The Proposals were scored based on the RFP requirements, Ability to Meet RFP Requirements (30 Points), Prior Experience and Reputation w/ Similar Projects (25 Points), Qualifications/ Experience (30 Points). At the end of the review and scoring Wood Environment held the highest score. Cost proposals were opened on November 22, 2021, 3:00 PM. Proposals were distributed to all committee members via Microsoft Teams for evaluation after the completion of the technical evaluation. The cost evaluation committee meeting occurred on November 23, 2021, 2:00 PM. All committee members were present. After discussion the committee members scored the Proposals based on Cost (15 Points). The Committee made the recommendation to not proceed with Oral interviews/Presentations as they felt confident in deciding with the information provided in the Technical and Cost Proposals. The committee will award to the highest scored firm based on the final scores after the Oral interviews/Presentations. At this time the City recommends award to Wood Environment and Infrastructure Solutions.
