

ORDINANCE NO. 15382

FILE OF CITY COUNCIL

BILL NO. 40 - 2017

Introduced by the Administration and Councilpersons Affa, Guridy, Hendricks, O'Connell, McGuire and Mota

JUNE 21, 2017

AN ORDINANCE

Amending Part III, Business Regulation and Taxation Code, Title One Businesses and Licensing Code, of the City of Allentown Code by Creating Article 320, Appropriate Mental Health Services, which would prohibit licensed professionals from engaging in counseling, practices, or treatments that seek to change a minor's sexual orientation or gender identity.

WHEREAS, the American Psychiatric Association published a position statement in December 1998 opposing any psychiatric treatment, including reparative or conversion therapy, which therapy regime is based upon the assumption that homosexuality *per se* is a mental disorder or that a patient should change his or her homosexual orientation; and

WHEREAS, the American Psychological Association's Task Force on Appropriate Therapeutic Responses to Sexual Orientation ("APA Task Force") concluded that sexual orientation change efforts can pose critical health risks to lesbian, gay, and bisexual people, including, among other things, confusion, depression, social withdrawal, suicidality, substance abuse, self-hatred, high-risk sexual behavior, and a feeling of being dehumanized; and

WHEREAS, following the report issued by the APA Task Force, the American Psychological Association issued a resolution in 2009 on Appropriate Affirmative Responses to Sexual Orientation Distress and Change Efforts, advising parents, guardians, young people, and their families to avoid sexual orientation change efforts that portray homosexuality as a mental illness or developmental disorder and encouraging psychotherapy, social support, and educational services that provide accurate information on sexual orientation and sexuality, increased family and school support, and reduced rejection of sexual minority youth; and

WHEREAS, the American Academy of Child and Adolescent Psychiatry published a statement in 2012 in its journal that, "[g]iven that there is no evidence that efforts to alter sexual orientation are effective, beneficial or necessary, and the possibility that they carry the risk of significant harm, such interventions are contraindicated"; and

WHEREAS, the American Academy of Pediatrics, the American Medical Association Council of Scientific Affairs, the National Association of Social Workers, the American Counseling Association Governing Council, the American School Counselor Association, and the American Psychoanalytic Association have each asserted in reports or position statements that sexual orientation change efforts, including reparative therapy or conversion therapy, are not recommended and may be harmful; and

WHEREAS, the Pan American Health Organization issued a statement in 2012 that "[t]hese supposed conversion therapies constitute a violation of the ethical principles of health care and violate human rights that are protected by international and regional agreements"; and

WHEREAS, the Substance Abuse and Mental Health Services Administration of the United States Department of Health and Human Services issued a report in 2015 examining the scientific literature on conversion therapy and concluding that "conversion therapy-efforts to change an individual's sexual orientation, gender identity or gender expression-is a practice that is not supported by credible evidence" and that "may put young people at risk of serious harm"; and

WHEREAS, the City of Allentown ("City") has a compelling interest in protecting the physical and psychological well-being of minors, including lesbian, gay, bisexual, transgender and questioning youth, and in protecting its minors against exposure to serious harms caused by conversion therapy; and

WHEREAS, the City Council hereby finds that being lesbian, gay, bisexual, or transgender is not a disease, disorder, illness, deficiency, or shortcoming, and that research has demonstrated conversion therapy can pose critical health risks to lesbian, gay, bisexual, or transgender persons; and

WHEREAS, it is the desire of the Allentown City Council to prohibit, within the geographic boundaries of the City, the use of conversion therapy with minors, which has been demonstrated to be harmful to the physical and psychological well-being of lesbian, gay, bisexual, and transgender persons.

NOW THEREFORE, BE IT ORDAINED BY THE ALLENTOWN CITY COUNCIL:
