Reason Transfer is Required:

The Allentown Economic Development Corporation (AEDC), the contracted subgrantee to the City of Allentown's Recompete Strategy Development project, requires additional funds to complete the project's scope of work. Funds currently under Operating Materials and Supplies are needed under Other Contracted Services so that AEDC can complete the scoped community engagement tasks detailed in the strategy development project. The scoped tasks are 100% reimbursable to the Recompete grant.

Reason Funds are Available for Transfer:

The City retained \$100k of the \$500k Recompete Phase 1 Strategy Development award when executing the original agreement with AEDC in early 2024. Funds were reserved for additional contract services (\$50k) and additional community engagement (\$50k). These reserved funds have not been spent to-date, and are now ready to be transferred.
