

John McCarth, Bright Hope Pregnancy Center

Women Killed by Legal Abortion

Sadly the women listed below cannot share their abortion experience because it ended in death. We share their names as a way for them to be silent no more and for us to acknowledge their loss.

The names are a partial list of documented cases of women killed by legal abortion in the United States. Special thanks to Life Dynamics and Operation Rescue for sharing these names. [Click here to download this list in PDF format.](#)

Lakisha Wilson -- OH, Age 22	Shary Graham -- TX, Age 34	Shirley Payne -- FL, Age 33
