- Purpose – Please include the following in your explanation:
 - a. What does the bill do? What are the specific goals or tasks the bill seeks to accomplish?
 - i. I am looking to re-organize two open positions in IT by eliminating the two open positions and creating two new positions that will better align the IT staff for future work. I hope to advertise and fill the newly created positions in the 2nd quarter of 2023.

 - b. What are the benefits of doing this? What are the drawbacks?
 - i. The new positions align the IT department for work that is being planned through the end of 2024.

 - c. How does this bill relate to the City's vision/mission/priorities?
 - i. I will be utilizing my open positions within the IT department to better meet the requests for project assistance from IT.

- Financial Impact – Please include the following in your explanation:
 - a. Cost (initial and ongoing)
 - i. Section one reduces wages by \$15,307.00
 - ii. Section two reduces wages by \$4,297.00
 - iii. Saving the City of Allentown, a total of \$ 19,604.00 in salaries

- b. Benefits (initial and ongoing)
 - i. The application group will be better equipped for current and future requests.
 - ii. The help desk group will have an additional member to help support 600+ employees daily.
- Funding Sources – Please include the following in your explanation:
 - a. If transferring funds, please make sure to give specific account names and numbers. If appropriating funds from a grant, please list the agency awarding the grant.
 - No funding is needed, the realignment of these positions will provide a net savings in salaries for the department of \$19,604.00.
- Priority status – Are there any deadlines to be aware of?
 - Nothing critical but we will look to fill as soon as approved.
- Why should Council unanimously support this bill?
 - These changes enhance the IT department's abilities while showing a net savings for the City of Allentown in lower salaries.
