- Summary and facts of the bill.

This bill would authorize the acceptance of \$737,219.43 from LCA that the City has negotiated for the purpose of construction of ADA handicap ramps and for the milling and paving of streets under the City's "Utility Paving Program".

By collaborating with LCA through this Cost Share Program to pave the streets and replace the ADA handicap ramps, it will relieve homeowners of the financial burden.

- Purpose – Please include the following in your explanation:
 - a. What does the bill do? What are the specific goals or tasks the bill seeks to accomplish?

This bill will allow the Department of Public Works to make road improvements on streets where LCA has completed water main replacements.

- i. Purchasing materials for paving and pavement markings in work area due to replacement of water mains and services.
- ii. Preparation of the contract for construction of ADA handicap ramps at the main intersection or work area.

- b. What are the benefits of doing this? What are the drawbacks?

Funding is provided for the materials to pave the streets and replace the ADA ramps on the Cost Sharing Program which relieves the homeowners of the financial burden.

- c. How does this bill relate to the City's vision/mission/priorities?

- Financial Impact – Please include the following in your explanation:
 - a. Cost (initial and ongoing)

Funding provided will cover all materials needed for paving and 100% of the City contract costs for the construction of ADA handicap ramps.

The City will provide labor for paving work and contract oversight for the ADA construction contract.

b. Benefits (initial and ongoing)

This cost sharing measure will allow for infrastructure improvements on city owned streets.

- Funding Sources – Please include the following in your explanation:
