#### Opening Statement of Meeting Intent

*The intent of this meeting is to address priorities and potential amendments to the City of Allentown's Zoning Ordinance that relate to Data Center Regulation following the passage of Bill 20 on 6/17/2026. We will be reviewing an additional letter by the AEAC as a result of record public engagement and interest on the topic of Data Centers.*

*We will not be discussing the proposal on 2401 Emaus Ave during this meeting.*

#### Public Meeting Analysis of Comments related to Bill 20

Thanks to the Muhlenberg College Office of Community Engagement, the AEAC has a summer intern. They produced an analysis and review of public comment related to Bill 20. The intent of this unofficial report was to inform AEAC members and other interested parties of public input and should not be considered the position of the AEAC.
