Public Works – Recycling & Solid Waste

- Summary and facts of the bill.

The purpose of the ordinance is to transfer funds from the Solid Waste Fund unappropriated cash balance to the appropriated balance to purchase a cardboard baler for the Recycling Drop Off Center. From 2024 – YTD we have spent \$37,000 in repairs to the cardboard baler. The city was awarded \$200,000 from the 902 Municipal Recycling Program Development and Implementation Grant to purchase the baler and will be reimbursed once it is purchased and installed.

- Purpose – Please include the following in your explanation:
 - a. What does the bill do? What are the specific goals or tasks the bill seeks to accomplish?

The Bill appropriates the grant funds, which will purchase the cardboard baler for the Recycling Drop Off Center.

- b. What are the benefits of doing this?

The City received this grant to support this project and will be reimbursed once the baler is purchased and installed.

- c. How does this bill relate to the City's vision/mission/priorities?

The Recycling Drop Off Center serves everyone in the community and processes cardboard on a daily basis. The average annual revenue received is over \$80,000 the last 4 years by processing cardboard.

- Financial Impact – Please include the following in your explanation:
 - a. Cost (initial and ongoing)

\$153,000.00

- b. Benefits (initial and ongoing)

Approving this allocation of funds will allow the Bureau of Recycling to purchase the cardboard baler and will be reimbursed on completion of the project.

- Funding Sources – Please include the following in your explanation:
 - a. If transferring funds, please make sure to give specific account names and numbers. If appropriating funds from a grant, please list the agency awarding the grant.
