

ORDINANCE NO. 16095

FILE OF CITY COUNCIL

BILL NO. 1 - 2025

JANUARY 15, 2025

AN ORDINANCE

Amending the 2024 Liquid Fuels Fund Budget to provide for a transfer of Five Hundred Sixty-Seven Thousand Nine Hundred Fifty-One Dollars and Thirty-One Cents (\$567,951.31) from the unappropriated balance of the General Fund. The reason for this transfer is due to an audit that was conducted on the Liquid Fuels funding from 2016-2020. During that audit, a finding was presented that paving of more than one inch had to get prior approval from the Department of Transportation, and that was not done. This was not found in previous audits and corrected once we were made aware.

BE IT ORDAINED BY THE COUNCIL OF THE CITY OF ALLENTOWN:

SECTION ONE: That the City Council authorizes a decrease to the unappropriated balance of the General Fund in the amount of Five Hundred Sixty-Seven Thousand Nine Hundred Fifty-One Dollars and Thirty-One Cents (\$567,951.31) and transferred to the following account:

Liquid Fuels Fund	
004-1010 (Cash – PA Motor Fund)	\$567,951.31
004-6660 (Transfer From Other Funds)	\$567,951.31

This bill transfers \$567,951.31 from the General Fund to the Liquid Fuels Fund in 2024. The state conducted an audit on the Liquid Fuels Tax Fund for the period of January 1, 2016, to December 31, 2020. The audit requires the City to reimburse total of \$1,703,853.92 to the Liquid Fuels Fund from the General Fund for paving in excess of one inch on various streets without obtaining the approval of the Department of Transportation. Per auditors "Before paving of one inch in thickness or greater is done the municipality must obtain the approval of the Department of Transportation. However, the municipality did not file an application with the Department of Transportation for the project and also failed to submit specification for approval".
