Dear Mayor Tuerk:

I am writing in regards to naming the 2000 block of Liberty St. Rose Kennedy Way , this would be such a great honor for such a wonderful woman, she was kind giving and cared so much about this neighborhood, we lovingly called her the mayor of the block. I lived next to her for 28 years, and our friendship just grew over the years. I really hope this happens to see her name on a street sign for everyone to see would be amazing.

Thank you,
