BY HAND

Gentlemen:

I hereby record my approval of a street vacation of North Lawn Street from Andrew Street to Early Street requested by Villoni and Juditha Chona.

The matter is scheduled for Copies 11th, 2017 at 12:15 p.m.

I am sincerely concerned that a vacation could profoundly affect my property, and am engaging a licensed surveyor to help determine how I would be impacted if the vacation was granted.

Yours truly,

Paul Cope (PAUL COPE)
