## Legislative Template

- **What department or bureau is this bill originating from?**

Fire Department

- **Summary and facts of the bill.**

- The City will utilize the \$27,910.00 in previously approved General Fund Fire Department funding, \$27,382 towards the cost of Seagraves Pumper #1 VIN # F9EB28T6SCST2052 and \$528 towards Seagraves Pumper #2 VIN # 1F9EB28T4SCST2051. There were additional costs that occurred during the three-year lead time. The changes include parts and equipment where the availability has changed, or they are no longer available.

- **Purpose – Please include the following in your explanation:**

- a. **What does the bill do?**

This transfer will complete the sale of the pumpers allowing them to be put into service.

- b. **What are the benefits of doing this?**

This will allow the replacement of two 2010 KME Pumpers currently located at the East Side and Fearless fire stations.

- c. **How does this bill relate to the City's vision/mission/priorities?**

This bill relates to the City's vision and mission by providing equipment to ensure all Fire personnel will be properly trained to protect and serve the citizens of Allentown and provide a safe City for all who live, work and visit the City of Allentown. It has always been the City of Allentown's priority, as well as every elected official, to provide safe and efficient Public Safety services to ensure a safe environment.

- **Financial Impact – Please include the following in your explanation:**

- a. **Cost (initial and ongoing)**

The City will utilize the \$27,910.00 in previously approved General Fund Fire Department funding, \$27,382 towards the cost of Seagraves Pumper #1 VIN # F9EB28T6SCST2052 and \$528 towards Seagraves Pumper #2 VIN # 1F9EB28T4SCST2051. There were additional costs that occurred during the three-year lead time. The changes include parts and equipment where the availability has changed, or they are no longer available.

- b. **Benefits (initial and ongoing)**

The purchase of these Pumpers will ensure an ongoing replacement plan that allows the fire department to properly function. This will also be an ongoing savings for the city with lower vehicle repair costs for the two aging KME Pumpers.

- **Funding Sources – Please include the following in your explanation:**

- a. If transferring funds, please make sure to give specific account names and numbers. If appropriating funds from a grant, please list the agency awarding the grant.**

From: General Fund	000-05-0803-0028-50072	(\$27,910.00)
