CITY CLERK

- **What Department or bureau is Bill originating from? Where did the initiative for the bill originate?**

Public Works Department - Engineering

- **Summary and Facts of the Bill**

This Bill would authorize an emergency contract with Abel Recon to line various storm water pipes throughout the City.

- **Purpose – Please include the following in your explanation:**
 - **What does the Bill do – what are the specific goals/tasks the bill seek to accomplish**
 - **What are the Benefits of doing this/Down-side of doing this**
 - **How does this Bill related to the City's Vision/Mission/Priorities**

This bill will allow the Department of Public Works to make improvements to the Storm Water infrastructure.

The benefit of doing this emergency contract is to secure the contractor while the demand is high and to secure better pricing under the Co-Stars contract.

- **Financial Impact – Please include the following in your explanation:**
 - **Cost (Initial and ongoing)**
 - **Benefits (initial and ongoing)**

The cost is \$2,000,000 from the unencumbered fund balance in Storm Water. The benefit of securing this contract would ensure this project gets completed prior to increased demand and higher cost.

- **Funding Sources – Please include the following in your explanation:**
 - **If transferring funds, please make sure bill gives specific accounts; if appropriating funds from a grant list the agency awarding the grant.**

Transfer funds from the Unencumbered Storm Water Balance (086-03-0815) to the Capital Fund, Project 2032, Stormwater Infrastructure Improvements

- **Priority status/Deadlines, if any**

n/a

- **Why should Council unanimously support this bill?**

The benefit of securing this contract would ensure this project gets completed prior to increased demand and higher cost.
