 CITY CLERK

- **What department or bureau is this bill originating from? Where did the initiative for the bill originate?**

This bill is originating from Health – DCED.

- **Summary and facts of the bill.**

The Allentown Health Bureau has received additional funding from the Unintentional Injury Prevention Program (UIPP) grant through the PADOH. This funding is to provide additional fall prevention training for staff and purchase fall prevention safety equipment for fall prevention clients.

- **Purpose – Please include the following in your explanation:**

- a. **What does the bill do? What are the specific goals or tasks the bill seeks to accomplish?**

The bill will allow for increased fall prevention work by the Health Bureau. The City of Allentown was identified by PADOH to receive these funds for this purpose.

- b. **What are the benefits of doing this? What are the drawbacks?**

The benefits are to be able to provide fall prevention services to individuals on a one-on-one basis in a personalized manner. There are no drawbacks as all expenses will be grant covered.

- c. **How does this bill relate to the City's vision/mission/priorities?**

This intervention enables the Health Bureau to provide fall prevention services to older adults and other adults at risk of falling who are homebound or group-shy. It focuses on reducing unintentional injuries and unintentional injury deaths.

- **Financial Impact – Please include the following in your explanation:**

- a. **Cost (initial and ongoing)**

There is no cost to the general fund. Total grant expenditure will be \$30,000.
