Roll Call: Chair Zucal, Gerlach, Affa

Bill 1

Amending the 2024 Liquid Fuels Fund Budget to provide for a transfer of Five Hundred Sixty-Seven Thousand Nine Hundred Fifty-One Dollars and Thirty-One Cents (\$567,951.31) from the unappropriated balance of the General Fund. The reason for this transfer is due to an audit that was conducted on the Liquid Fuels funding from 2016-2020. During that audit, a finding was presented that paving of more than one inch had to get prior approval from the Department of Transportation, and that was not done. This was not found in previous audits and corrected once we were made aware.

Bill 8

Amending the 2024 Capital Fund Budget to provide for an increase of Three Hundred Twenty-Five Thousand Dollars (\$325,000) to the newly created capital account for the design of the traffic signal upgrades at 17th and Linden Street, 17th and Turner Street, 17th and Chew Street, and 17th and Walnut Street intersections. This project is part of the Pennsylvania Department of Community and Economic Development Multimodal Transportation Fund Grant (MTF-DCED) that the City was awarded. This will fund the design for upgrades to the four intersections on 17th Street. The City was awarded \$250,000 as part of the MTF-DCED grant that is reimbursable, and the \$75,000 is considered the City's match that is required per the grant agreement.
