#### Roll Call: Chair Mota, Napoli, Affa

This legislation is sponsored by city council; it is a simple house-cleaning measure to a bill previously adopted. This amends the bill to establish consistency - making the 'board' referred to as the Nuisance Abatement Board of Appeals through-out the bill. Simple change.

Bill 80

Amending Chapter 406, Nuisance Abatement, to consistently refer to the Appeals Board as the Nuisance Abatement Board of Appeals. This legislation cleans up language relating to the Nuisance Abatement Board of Appeals.
