Mr. Brown is a former sergeant in the United States Marine Corps and a graduate of Temple University where he received a Bachelor of Science Degree in Landscape Architecture. Temple University's diverse curriculum included a strong emphasis on the understanding of native plant communities and natural systems. This area of study was then heavily applied to the development of sustainable built environments. Following graduation, Mr. Brown was employed by Architerra, PC and quickly grew to become an Associate Project Manager. While at Architerra, Mr. Brown was responsible for campus planning, landscape design, park and recreational design, and athletic facility design projects in the surrounding five (5) states.

With the creation of Brown Design Corp. in 1999, Mr. Brown has taken advantage of his diverse experience to dedicate himself and commit his staff to providing the highest level of client understanding, service, and professionalism within the realm of creating thoughtful, sensible, and attractive outdoor spaces.

Mr. Brown is an avid volunteer and dedicated father. When not working to enrich the built environment, he can be found helping his community with historic preservation, tree planting and preservation, as well as serving as Chairman for the City of Allentown Planning Commission.
