

**CITY OF ALLENTOWN
REQUEST FOR SIDEWALK/CURB CONSTRUCTION POSTPONEMENT**

Please check appropriate request

- SIDEWALK POSTPONEMENT
- CURB POSTPONEMENT

Pursuant to Article 907 of the Codified Ordinances of the City of Allentown, property owners who have been served notice to install sidewalk and/or curbing have the right to request a postponement of their installation. Requests for the postponement of sidewalk construction are referred to the Allentown City Planning Commission for a decision, while requests for the postponement of curb installation are considered by a committee of City Hall professional staff. **On the back of this form you will find the conditions under which either of these types of postponements may be granted. Please review these carefully in your consideration to request a postponement.**

You will be notified of the time and place at which your request(s) will be reviewed.
