- **Summary and Facts of the Bill**

This Bill transfers available funds from two completed capital projects to Project 2201 for pool construction.

- **Purpose – Please include the following in your explanation:**

- **What does the Bill do – what are the specific goals/tasks the bill seek to accomplish**
- **What are the Benefits of doing this/Down-side of doing this**
- **How does this Bill related to the City’s Vision/Mission/Priorities**

The City has completed two capital projects funded by cash proceeds from the Sewer Fund prior to the 2013 concession lease to the Lehigh County Authority. Funds remain after project completion, and, as no ongoing commitment of the funds is required under terms of the concession lease, these funds may be directed to other general capital projects in the City. This bill authorizes a shift in appropriation authority to capital project 2201 to provide additional resources for anticipated expenditures therein.

- **Financial Impact – Please include the following in your explanation:**

- **Cost (Initial and ongoing)**
- **Benefits (initial and ongoing)**

A combined total of \$500,000 in available funds tied to capital projects 1806 and 1743 will be transferred to capital project 2201. No General Fund dollars will be utilized for this purpose.

- **Funding Sources – Please include the following in your explanation:**

- **If transferring funds, please make sure bill gives specific accounts; if appropriating funds from a grant list the agency awarding the grant.**

See response to previous question.

- **Priority status/Deadlines, if any**

This bill is intended to provide sufficient funds for the speedy completion of all activities related to capital project 2201.

- **Why should Council unanimously support this bill?**

See response to previous question.
