CITY CLERK

- **What Department or bureau is Bill originating from? Where did the initiative for the bill originate?**

Department of Community and Economic Development, Bureau of Building Standards and Safety - Presales Code Enforcement

- **Summary and Facts of the Bill**

The Department is requesting to amend Ordinance 14561, at Article 1760.99 -Fees.

Currently a presales inspection is a \$100.00 flat fee with one (1) re-inspection fee included. This Amendment Proposal is to increase those fees to \$100.00 for the first three (3) units and charge an additional \$25.00 for every unit thereafter.

If a re-inspection is needed on any unit after the first re-inspection, the current fee of \$35.00 is proposed to increase to \$75.00 per unit for the second re-inspection and \$150.00 per unit for the 3rd and all subsequent re-inspections.

- **Purpose – Please include the following in your explanation:**
 - **What does the Bill do – what are the specific goals/tasks the bill seek to accomplish**
 - **What are the Benefits of doing this/Down-side of doing this**
 - **How does this Bill related to the City's Vision/Mission/Priorities**

This increase in fees is necessary to run the Presale Program more effectively.

Some of the apartment complexes have over 100 units and we are currently only charging a \$100.00 flat fee for the entire complex. If we have to go back for failed units multiple times we are only charging \$35.00 each time, we wish to increase that to \$75.00 per unit for the second re-inspection and \$150.00 per unit for the 3rd and all subsequent re-inspections to insure compliance sooner.

- **Financial Impact – Please include the following in your explanation:**
 - **Cost (Initial and ongoing)**
 - **Benefits (initial and ongoing)**

There is no additional cost to the City but increasing our fees would allow us to run the Presale Program more efficiently. We receive approximately 1600 presale inspections annually in the City of Allentown with 3 Presale Inspectors to manage the work load.

- **Funding Sources – Please include the following in your explanation:**
 - **If transferring funds, please make sure bill gives specific accounts; if appropriating funds from a grant list the agency awarding the grant.**

N/A

- **Priority status/Deadlines, if any**

We wish to have this fee increase in place for the 2018 year.

- **Why should Council unanimously support this bill?**

It fairly charges for the inspector's time if inspecting multi-unit facilities. It also fairly charges for re-inspections if the owner does not comply.
