SUBJECT: Nomination for Council President

Pursuant to Council Rule VI, this memo restates my intention to seek the Office of President and lays out goals and a vision for the ensuing year, past achievements and other information I wish you to consider in your vote for the office of council president.

As Vice President of City Council, I would like to first thank you for your support this past year. I would like your continued support to be Council President in 2018.

The goals that I continue to strive for are the following:

1. Being an advocate for public safety.
2. Work with the Department and Bureau Managers and help them achieve their goals and objectives.
3. Continuing to look at ways to deliver core city services in the most efficient and cost effective manner.
4. Continue to make council and the city's procedures as transparent as possible.
5. Ensure that our government respond to citizen concerns in a timely and efficient manner.
