MEMORANDUM

TO: Council

FROM: Candida Affa, Councilmember

DATE: December 7, 2017

RE: Consideration for Council Vice President

Pursuant to Council Rule VI, this memo restates my intention to seek the Office of Vice President and lays out goals and a vision for the ensuing year, past achievements and other information I wish you to consider in your vote for the office of vice president.

We all add value to council. I plan to work with each and every one of you to increase the effectiveness and transparency of our city government.

I have focused on quality of life issues over the past year and will continue to do so going forward. I plan to strengthen the tools we have at our disposal for dealing with quality of life issues, specifically the:

- Nuisance Abatement Board
- Disruptive Conduct Board
- Vacant Property Review Board

Other goals that I suggest we pursue during the course of the year are:

- Paygrade Study and Personnel Code review: The charter requires council adopt and review a personnel code. I would like to retain being chair of the Human Resources, Administration and Appointments Committee to work with the administration on the paygrade study and review our personnel code.
- Charter Review – look at the weaknesses of our charter, give consideration to providing for a council solicitor, review alternative forms of government, and examine our budgetary process.
