 City Clerk

CITY OF ALLENTOWN
Request for Approval

SUBJECT: Request for Approval by City Council of Contract Award, Service, or Contract Price Increase Pursuant to City Ordinance, Article 130.16

Project or Contract Reference: Request for Title Search Services

TO: City Council, City Clerk, and Council Solicitor

FROM: Brent Hartzell, Department Head

DATE: January 3, 2018

On behalf of the Administration, pursuant to City Ordinances, Article 130.16, I request City Council's approval of the following recommendation of the referenced contract award or price increase.

- Check Type of Contract or Change:

The contract is for over \$40,000 and required to be competitively bid under the City Code. We have advertised the above referenced project and received qualified bids/proposals. We recommend award of the contract to the bidder/proposer identified and for the reasons stated below.

The recommendation is for a price increase of 10% or more for an existing contract over \$40,000 that was previously bid and awarded under city policies.

- X The engagement of professional services. We have received and reviewed a proposal or proposals for professional services in connection with above referenced project or requirement for professional services. We recommend award of the engagement.

- Is the contract appropriation or price increase included in this year's budget? yes X no

- Identify contract funding sources (general fund, grants, loans, etc. & account number):

General Fund: 000-02-0602-0001-46; after transfer from 000-02-0602-0001-50

- The number of any alternate quotes/bids and the names of the alternate bidders, if any.

We attempted to obtain multiple quotes but only received a response from one

- The name and address of the recommended Contractor/Vendor/Professional Service Provider/Lowest Responsible Bidder is:

Advanced Abstract Inc. 33 S 7th St, Allentown PA 18101

- Term of contract or estimated completion date, subject to standard extensions:

We will request one (1) search immediately after the funds are available, and estimate that nine (9) more searches will be necessary in 2018

- Description of project or scope of services to be provided:

The Revenue and Audit Bureau requires a title search to aggregate the value of all first liens, mortgages and encumbrances on a parcel of real estate located within the City. The purpose is to determine a sheriff sale minimum bid price

- State the actual or estimated price to the City or the proposed Department budget allowance for the initial term; and state payment rate per unit of service if applicable:

\$125.00 per title search, with approximately ten (10) needed during the year

- Number of renewal term options and duration of each renewal, if any:

None

- Maximum dollar value of all renewals provided for beyond the original term as if all renewals were exercised:

None

- Reasons for recommendation of Administration and Council approval of contract:

The Title Search services are a necessary component to exposing a parcel of real estate in extremely bad standing with the City to public auction. The municipal liens and tax claims on one of the properties exceeds \$500,000 and listing the property for sheriff sale will either bring about compliance, result in the claims being paid, or at least allow for the possibility that a new owner will return the property to productive and revenue producing use

- Time Frame

ASAP-One week from request until each search is completed; estimated ten non-consecutive weeks

Please approve this recommendation by passing the accompanying resolution. A vote of final approval is requested at the first City Council agenda listing of this matter.
