Drug Arrest Data

Produced by **JOHN LOMBARDI 610-439-5980**

The following data reflects all Arrest data that was coded within the 1800 UCR Range Code (Narcotics Violation), between 1/1/13 – 12/31/17. Data reflected in this report does not reflect “Primary Offense,” but simply indicates that the arrestee was charged with a drug-related offense¹. Many of these incidents included multiple drug-related charges, which will be shown below.

- Between 2013 and 2017, Allentown Police Department has conducted 5167 arrests that involved drug related charges
- These arrests resulted in 6973 unique drug-related charges
- Of those charges, 2750 (39%) were Marijuana related, while the remaining 61% involved Opioids, Synthetic Narcotics, or other dangerous substances

Total Drug-Related Arrests:

Year	2013	2014	2015	2016	2017	Grand Total
Drug-related Arrests	1059	1056	983	967	1102	5167

Total Drug-Related Arrest Charges:
