

CITY OF ALLENTOWN

No. 29660

RESOLUTION

R74B - 2018

Introduced by the Administration on June 6, 2018

Authorization for Engagement of Professional Services with High Environmental Health and Safety Consulting in the amount of \$5,500.00 Indoor Environmental Quality (IEQ) assessment in the Central Fire Station

Resolved by the Council of the City of Allentown, That

WHEREAS, Article 130.16 of the City's Administrative Code requires City Council approval by Resolution for the award of contracts or engagement of professional services.

WHEREAS, it is the desire of the City of Allentown to enter into an agreement/engage the services of the following named contractor/consultant, for the use and purpose indicated in supporting the Recommendation of Award of Bid or Contract dated May 16, 2018:

1. Name of Contractor/Consultant: High Environmental Health and Safety Consulting
2. Project or Contract Reference: Indoor Environmental Quality Assessment
3. Description of Service(s) to be provided: Indoor Environmental Quality (IEQ) assessment in the Central Fire Station

NOW, THEREFORE, BE IT RESOLVED that the Council of the City of Allentown, hereby authorizes the Mayor and/or such other City officials as deemed appropriate by the City Solicitor, to sign and execute a Contract or Amendment and such other agreements and documents as are deemed by the City Solicitor to be necessary and/or related thereto, with the above named contractor/consultant, for the project identified.

THIS IS TO CERTIFY, That the above copy of Resolution No. 29660 was adopted by the City Council of Allentown on the 6th day of June, 2018, and is on file in the City Clerk's Office.

City Clerk

CITY OF ALLENTOWN
Request for Approval

SUBJECT: Request for Approval by City Council of Contract Award, Service, or Contract Price Increase Pursuant to City Ordinance, Article 130.16

Project or Contract Reference: Indoor Environmental Quality Assessment

TO: City Council, City Clerk, and Council Solicitor

FROM: Don Hoegg, Department Head

DATE: May 16, 2018

On behalf of the Administration, pursuant to City Ordinances, Article 130.16, I request City Council's approval of the following recommendation of the referenced contract award or price increase.

- Check Type of Contract or Change:

The contract is for over \$40,000 and required to be competitively bid under the City Code. We have advertised the above referenced project and received qualified bids/proposals. We recommend award of the contract to the bidder/proposer identified and for the reasons stated below.

The recommendation is for a price increase of 10% or more for an existing contract over \$40,000 that was previously bid and awarded under city policies.

- X The engagement of professional services. We have received and reviewed a proposal or proposals for professional services in connection with above referenced project or requirement for professional services. We recommend award of the engagement.

- Is the contract appropriation or price increase included in this year's budget? X yes no
- Identify contract funding sources (general fund, grants, loans, etc. & account number):

Risk Management -081-02-8001- 0001-68

- The number of any alternate quotes/bids and the names of the alternate bidders, if any.

n/a

- The name and address of the recommended Contractor/Vendor/Professional Service Provider/Lowest Responsible Bidder is:

High Environmental Health and Safety Consulting

- Term of contract or estimated completion date, subject to standard extensions:

Upon completion of remediation of the asbestos.

- Description of project or scope of services to be provided:

High Environmental Health & Safety Consulting Ltd. is pleased to provide the City of Allentown with an Indoor Environmental Quality (IEQ) assessment in the Central Fire Station located at 723 West Chew Street, Allentown, Pennsylvania. The assessment was requested due occupant concerns of microbial and chemical impact, as a result of past water intrusion events and past building usage, and subsequent health concerns. The IEQ assessment included a visual inspection of accessible areas and mechanical ventilation system, and real-time monitoring for ambient data measurements and total volatile organic compounds (TVOCs). Up to 11 air samples and 6 surface samples will be analyzed for fungal spore identification and particulate characterization. Two samples (1 air and 1 surface) will be analyzed for Asbestos fibers. Two (8-hour) air samples for 61 specific VOCs will be analyzed. A detailed report of findings, comparisons to established guidelines, and recommendations, as pertinent, will be provided following receipt of all analytical results.

- State the actual or estimated price to the City or the proposed Department budget allowance for the initial term; and state payment rate per unit of service if applicable:

\$5,550.00

- Number of renewal term options and duration of each renewal, if any:

N/A

- Maximum dollar value of all renewals provided for beyond the original term as if all renewals were exercised:

N/A

- Reasons for recommendation of Administration and Council approval of contract:

Indoor Environmental Quality (IEQ) assessment in the Central Fire Station

- Time Frame

ASAP

Please approve this recommendation by passing the accompanying resolution. A vote of final approval is requested at the first City Council agenda listing of this matter.
