- Summary and Facts of the Bill

Purpose of the ordinance is to appropriate the revenue and expenses for the Early Intervention Program Grant. The \$120,000 grant is funded through the Pennsylvania Department of Community and Economic Development.

- Purpose – Please include the following in your explanation:
 - What does the Bill do – what are the specific goals/tasks the bill seek to accomplish
 - What are the Benefits of doing this/Down-side of doing this
 - How does this Bill related to the City's Vision/Mission/Priorities

The project will allow the City to hire a financial management firm to guide the City in developing and implementing a multi-year financial management program to address the City's financial challenges.

- Financial Impact – Please include the following in your explanation:
 - Cost (Initial and ongoing)
 - Benefits (initial and ongoing)

Total project is estimated at \$150,000. The City qualified for a reduced match requirement, based on financial status, and has committed \$30,000 in match (from City Council budget). The resulting plan will establish short and long-term objectives in order to ensure the long-term fiscal health of the City through better management, cost containment, and economic growth.

- Funding Sources – Please include the following in your explanation:
 - If transferring funds, please make sure bill gives specific accounts; if appropriating funds from a grant list the agency awarding the grant.

The funding comes from the Commonwealth of Pennsylvania, Department of Community and Economic Development, Governor's Center for Local Government Services.

- Priority status/Deadlines, if any

This is a normal priority project; however, the RFP for consultant services has already been drafted and approved by DCED and we are eager to move forward with this project.

- Why should Council unanimously support this bill?

This project provides funds needed to strategically address the City's financial situation and ensure a strong future.
