MEMORANDUM

TO: Council

FROM: Roger MacLean, Councilperson

DATE: January 8, 2019

RE: Council President

As the current Council President and after careful consideration, this memo serves as notification that I am interested in becoming Council President for the year 2019.

I thank you for your support in 2018 and believe that I can be an effective leader going forward.

I vote with the citizens of Allentown in mind. Going forward we need to work with the administration and departments to create a cost-effective government that delivers core services.

I will continue to work with each of you on the work you do in the committee system and community in general.

Thank you in advance for your consideration.
