**RE: FY2019 Certified Local Government Program Grant
City of Allentown, Lehigh County
ME# 61906**

Dear Mr. Kimmerly:

Due to an unanticipated increase in Pennsylvania's apportionment from the Federal Historic Preservation Fund (HPF) for fiscal year 2019, I have the pleasure of informing you that the City's FY2019 CLG grant award has been increased. The increased HPF funding has allowed the PA SHPO to provide an additional \$3,000 in grant funding for the previously approved project, bringing the total award to \$25,000. This increased funding amount will not require matching funds beyond what was provided for in the initial grant agreement. An amended grant agreement and project budget will be prepared and sent to you in the near future. I trust this is welcome news and that the funding will enable the City to continue doing great work on behalf of its historic places.

Please do not hesitate to contact Cory Kegerise at (215) 219-3824 or ckegerise@pa.gov for CLG program related questions. If you have administrative questions relating to the grant agreement contract or invoicing, please contact Rhonda Johnson at (717) 783-2838 or rhojohnson@pa.gov.

Sincerely,

Andrea L. MacDonald
Deputy State Historic Preservation Officer
