CC: Agenda List
DATE: October 21, 2019
RE: Budget Schedule V2

The budget meetings will be Special Council meetings with each meeting run by the Chairperson of the Committee that has 'jurisdiction' over that department. The meetings will be structured to allow the Administration to present their respective budget, provide for Council comments and questions, and for public comments. If you plan to introduce any amendments, they should be provided to our office two days in advance of the meeting they are to be considered so they can be distributed to the public, administration and council - otherwise, Council will need to suspend the rules. Plan to review capital budgets and equipment requests on the night when each respective department is being reviewed. Amendments may be proposed and voted on at these meetings. There shall be no power points. Council will also conduct general business at these meetings should the administration need action on legislative items. If you have any questions, please contact Council office at 610.437.7556.
