RE: Street Vacation Request – American Parkway Right-of-Way

Dear Mr. Hanlon:

The Lehigh Valley Planning Commission has reviewed the following proposed street vacation:

- American Parkway Right-of-Way – vacation of 3,849.23 square feet beginning at a concrete monument located along the newly established eastern legal right-of-way of an existing public roadway, locally known as American Parkway, said point being located at the American Parkway centerline station 110+01.17, offset 70.25 feet right.

This proposed street vacation is consistent with and supported by a recently-submitted Better Utilizing Investments to Leverage Development (BUILD) Grant application to fund multimodal improvements along the Allentown Lehigh River waterfront.

The vacation of this right-of-way will not impact or be impacted by any highway, bridge, or transit projects contained within the 2019 Transportation Improvement Program.

Thank you for forwarding the proposal for review. Please feel free to call me if you have any questions.

Sincerely,

Michael Donchez
Senior Transportation Planner
