 - **What are the Benefits of doing this/Down-side of doing this**
 - **How does this Bill related to the City's Vision/Mission/Priorities**

THIS IS AN EMERGENCY REQUEST. The purpose of the funding is to assist in covering expense for the Health Bureau's public health response to coronavirus disease (COVID-19). The specific public health preparedness tasks the bill seeks to accomplish are disease investigation and containment.

A benefit of this Bill is to enhance Allentown's ability to respond to COVID-19 that is both a global pandemic and local public health emergency. There is no down-side to this funding.

This Bill is congruent with the Health Bureau's mission to prevent disease and injury and to protect and promote the public's health.

- **Financial Impact – Please include the following in your explanation:**
 - **Cost (Initial and ongoing)**
 - **Benefits (initial and ongoing)**

Passing this Bill will not result in a financial cost to the City. \$747,267 in new expenditures will be placed in the 2020 budget, with corresponding revenues.

The benefits of the appropriation is to reimburse the City of Allentown for expenses related to the public health response to COVID-19.

The funds being allocated will be used to: 1) prevent the spread of the disease, implement mitigation measures, respond to and recover from the impacts of this disease; 2) plan for possible future vaccination efforts; 3) secure assistance with response and recovery efforts; 4) implement education and awareness campaigns; and 5) purchase equipment and supplies.

The funds are also needed to restore funding to other Health Bureau programs that purchased supplies that were needed immediately for the COVID-19 public health response. The programs included Injury Prevention (Program 2), Nutrition and Physical Activity (Program 3), and Communicable Disease (Program 4).

- **Funding Sources – Please include the following in your explanation:**
 - **If transferring funds, please make sure bill gives specific accounts; if appropriating funds from a grant list the agency awarding the grant.**
