Mr. Josh Siegel

Allentown City Councilperson

City Hall

435 Hamilton St

Allentown, PA 18101

Sir,

In March 2019 you appeared at a regular monthly meeting of the Queen City Lodge # 10 Fraternal Order of Police. You were seeking the FOP Lodge's endorsement of your campaign for City Council. While speaking at our meeting, you looked our members in the eye and detailed your vision and commitment to supporting the hard-working men and women of the Allentown Police Department. As a result of your words at our meeting you received the endorsement of our members.

Recently you have been regurgitating anti-police rhetoric and behaved in a petulant manner that prioritizes politics over public safety and community service. You are attempting to drive a wedge between the Allentown Police and the citizens we proudly serve, and you will not succeed. Nothing disgusts our members more than a politician who betrays us when in front of a camera or microphone.

Upon consideration of your blatantly ignorant, uninformed, and unnecessary comments, and your failure to stand behind the men and women you claimed to support, this Lodge has rescinded its endorsement of your candidacy for City Council. As such, you no longer have the privilege of claiming you are endorsed by the Queen City FOP Lodge #10.

Sincerely,

Scott Snyder

President

Queen City FOP Lodge #10
