

Glenn Hunsicker,
Would you submit the following for to-nights mtg.

Budget Amendment #2
30 Nov 20

Ref: Parks & Recreation

- a) The Deputy Director position as per Allentown City Administration code limits increases for existing employees to 5%. This proposed increase far exceeds this limit. Currently the administrations persons selection for this position is around 82K to 85K dollars, which would limit this increase to \$4100 dollars.
- b) Over the last (3) years non bargaining employees received 9% in raises.
- c) Council must understand violating "Administration code" is no small matter. This action asks the question What other action or violations would be appropriate in councils eyes.
- d) In addition, this amendment keeps the current position of Superintendent which adds 1 position to Parks & Recreation budget. (82K – 85K) dollars.
- e) What will the job duties, if different of Superintendent be for this new position.

Summary

Council must take the gate keeper role & protect the rule of law.

PS. Since Councilman Hendricks has a conflict of interest he should recuse himself from this amendment vote.
