Ms. Jessica Oritz, 523 Tilghman Street, I write to you today in objection of this amendment. I take it as a disrespect to me and the citizens of Allentown. Each elected member of the office is voted in by the people and although often it is not the candidate we personally voted for it was the one the majority of those who voted did. That being said each person who holds a seat runs a campaign on what they vow to do and then take a vow to uphold those promise and do what is best for the people. Now candidates are saying to our voices don't matter and they don't owe us the respect to

complete the task they have decided to take on. This is what I hear, the candidate dated us and then promised to love us until death do us part, and now they are seeking an annulment because it was a drunk night of passion and they just want to move on.

How fair is this to the people. Now, what happens to all the work and needs to the seat that was promised. Often we see when candidates be in there raced it is just that race, that's why it's called running for office so where will the time be for the position or seat they currently hold? When a candidate seeks a seat they currently hold it is not as difficult because they are campaigning for the seat they are in which keeps them on focus because the task at hand is still the same and even then often the elected officials stary to far and forget about the duties they hold. I sincerely urge you not to change this bill but if you do it needs more clarity. Elected officials can only run for office for a seat they currently hold or until their term has expired or has resigned from their seat. No elected official can run for office until 1 full year of resignation from a preciously upheld elected seat.

Such as the resign to run law, Supporters of resign-to-run laws argue that a politician running for one office while holding another might neglect the duties of their current office since they spend much of their time campaigning for the new office. They also believe that in a race between someone who currently holds another office and someone who doesn't, the person who holds another office can unfairly use their incumbency as leverage in the campaign, for example by funneling official resources into the campaign or by using their office as a fallback in case they lose the race.

An officeholder who wants to run for higher office may time their run to complete their tasks in their current office. An example of this is Rodney Glassman, a 2010 candidate for U.S.

Opponents say that resign-to-run laws are likely to harm people who have public service as a job since these people might not be in a good enough financial position to resign from their current office if they want to run for another office. People who want to hold a particular office might also be dissuaded from running for lower offices beforehand, as holding lower offices would block them from running for their desired office and serve as a hindrance instead of a stepping stone.

Our city has serious issues and we will get nowhere if we keep changing

the rules to benefit a certain few. Many blamed our previous Mayor for the cloud, well what's the excuse nowwe have more than a cloud we have severe thunderstorms with a chance of a tsunami!

Mr. Kenneth Heffentrager, 1638 Seidersville Road, Bethlehem - Allentown Tenant Association, so why do we have a Home Rule Charter if it's basically tossed to the side or we alter it to serve the needs of the elected.

Allentown Home Rule Charter, SECTION 209 PROHIBITIONS

C. No Council member shall hold any compensated appointive City office or City employment until one year after his or her resignation or one year after the expiration of the term for which the member was elected to the Council. Seems very clear on the intent of this provision. Ce-Ce Gerlach and Joshua Siegel should resign from there current position on City Council, since both announced there intent on running for Mayor. This would also apply to anyone else on Council with the intent to run for another elected position. Oh wait that's right, on November 23rd, City Council plans on voting on Bill 72, excluding any elected officials from this very rule. Wow that is quite convenient. Seriously this is a slap in the face to all those who voted, hell this is a slap in the face to all the residents of Allentown period. Residents voted on the Home Rule Charter in 1996, and took effect on the first Monday of 1997. In 2019 two amendments to the HRC were on the ballot for residents, so why not Bill 72. Do the right thing and stand by the Home Rule Charter, VOTE NO!

ORDINANCES FOR FINAL PASSAGE (To be Voted On):

The bills below were on the agenda of council's special meetings.

[15-3843](#)

Bill 79

An Ordinance of the City of Allentown, County of Lehigh and Commonwealth of Pennsylvania, revising Article 400.04 Department of Parks and Recreation Golf Course Fees increasing riding green fees by three dollars (\$3) and walking greens fees by two dollars (\$2) to increase revenue and stay competitively priced with other local golf courses.

Attachments: [Bill 79 Golf Fees](#)
[Ordinance #15655](#)

Ms. Karen El-Chaar turned it over to Jeff Wambold who is also on the line. Mr. Jeff Wambold stated that they are going to increase the green fees for 18 holes for the walking fees by \$2.00. It is a very nominal fee. This will cover in order to maintain the condition of the Golf Course due to increasing prices of all operating costs. It should turn around about \$60,000 in revenue. It is a nominal fee and all the Golf Courses in the area are still very competitive. He stated that they will actually be a dollar short. Until Bethlehem increases their fee, the city of Allentown will be \$1 more

than them.

Mr. Daryl Hendricks thanked Mr. Wambold and asked if there were any questions from his colleagues.

Ms. Candida Affa asked Mr. Wambold if he stated that Bethlehem is a \$1 less than Allentown right now.

Mr. Jeff Wambold stated not right now. After the city increases its rates, we are going to be a \$1 more than them. He stated that the city is a \$1 less than them.

Ms. Candida Affa asked if they anticipate Bethlehem raising. When you check other Golf Courses, like Edgewood and Golf Courses like that.

Mr. Jeff Wambold stated that he tries to get the comparable like Green Pond, Southmoore, Olde Homestead. Those are the courses that the city is more competitive with. The other Golf Courses are lesser condition. The city offers a lot more than them.

Mr. Daryl Hendricks asked if there were any other questions or comments from his colleagues or the public.

Attachments: [Bill 80 Recreation Fees](#)

[Ordinance #15656](#)

Ms. Karen El-Chaar asked for Mr. Chris Hendricks to respond.

Mr. Chris Hendricks stated that they tried to increase some recreational fees for use of Breadon Field to be consistent and comparable to the surrounding municipalities. These fees have not been increased or adjusted since 2005. He asked if Council would like him to go through each line item for that.

Mr. Daryl Hendricks stated that he doesn't believe that is necessary. He asked if anybody else wants to. He stated that Council has it on their tablets.

Mr. Julio Guridy asked Mr. Hendricks asked about baseball fields. Right now, under line item 3 and 4, looking at \$195 - \$250 and then \$260 - \$325. What is the reason for increasing this that high. He personally never rented them, but see the fees. He wants to find out what the rationales are.

Mr. Chris Hendricks stated that the currently the fees to rent a field for a game for two to three hours is currently \$25. The Parks and Recreation department likes to increase that to \$40. There is a per day rental fee which they want to increase by \$10. There are two fields at the same complex per day, three field and four fields at the same complex.

Mr. Julio Guridy stated that is four fields. That is not for one field. That is for three fields and four fields.

Mr. Chris Hendricks stated yes and the per game charge.

Mayor Ray O' Connell stated like at Fountain Park. You can have three baseball games at the same time.

Mr. Julio Guridy stated that he thought it was for field, but it is fields. He stated that he got it. Thank you.

Mayor Ray O'Connell asked Mr. Zucal to explain this Resolution. He stated that the city found money in the budget this year to kick it in now.

Mr. Ed Zucal stated that it was one of the items that Chief Granitz brought forward during his presentation. They are going to move some money around with Managing Director.

Mayor Ray O'Connell stated that they took money from his budget.

Mr. Ed Zucal stated that it would allow for the Police Department to proceed now then possibly next year. He thanked the Mayor for doing that.

Mayor Ray O'Connell thanked Mr. Zucal for bringing it up. It is a national program. It is great to go through it.

Mr. Daryl Hendricks asked if there were any questions or comments from his colleagues. Ms. CeCe Gerlach asked if it is a three year accreditation process. It takes about three years to get accredited.

Mayor Ray O'Connell asked if Chief Granitz was on the phone.

Mr. Michael Hanlon stated that he just sent him an invite.

Mayor Ray O'Connell stated that he believes it is a three year program.

Ms. CeCe Gerlach asked if it was \$16,000 and is it every year or one time you pay \$16,000 for that three years.

Mayor Ray O'Connell asked Ms. Wagenhurst to explain the amount this year and what the city will do next year.

Ms. Barbara Wagenhurst stated that the \$16,000 gives the city the access to start the registration process. They do have up to three years to complete everything and get the assessment. After that, it's a \$5,500 annual fee.

Chief Glenn Granitz stated that it is a three year cycle of accreditation so there will be a recurring annual fee as well.

Mayor Ray O'Connell stated \$5,500.

Mr. Daryl Hendricks thanked Ms. Wagenhurst and Chief Glenn Granitz.
