RE: FFY2020 CLG Project Grant – Historic District Design Guidelines
Funding Release CLG2020_001_01

Dear Kait,

This letter is in response to your January 26, 2021 letter requesting an additional \$1,910 in CLG grant funding to support revisions to the city's historic district design guidelines. I am pleased to tell you that your request has been approved and the total grant award is now \$23,910. The City's minimum match obligation has also been increased to \$2,390, bringing the total project budget to \$26,300.

Enclosed with this letter is the amended Funding Release for the project, which requires a signature from the Mayor. Please return the signed document via email to RA-PHCLG@pa.gov at your earliest convenience. The document will then be signed by PHMC's Executive Director and you will receive a fully executed copy for your records. Please also note the amended Workplan and Budget, which reflects the revised grant award and match.

You may proceed with the project as planned while this paperwork is being finalized. Please contact me at (215) 219-3824 or ckegerise@pa.gov with any questions.

Sincerely,

A handwritten signature in blue ink, appearing to read 'C. Kegerise', is located below the 'Sincerely,' text.
