Mr. Lou Herhsman, 405 N. Gilmore Street, asked about the Financial Plan. He spoke about the Letters to the Editor regarding the parking problems. He asked about the study to keep deer out.

Mr. Ray O'Connell asked when we get to Resolution - R147 we will refer to Budget and Finance. Mr. Hendricks and Ms. Affa will look into that. He stated that study was done and presented to Council.

Mr. Kenneth Heffentrager, 733 N. 11th Street - Allentown Tenants Association and the 10th Ward North, spoke about wasting money on studies. He stated that nobody every brings up the studies on Center City that we waste so much money on. He asked about 726 N. Gordon Street that is ready to collapse. He asked to shutdown N. Bradford Street. The amount of dumping is unbelievable. He asked if the city can team up with Norfolk Southern. We had to call in 726 N. Penn for dumping and 724 is the major contributor of this. he talked about the 400 block of Tilghman and 400 block of James, 400 block of Green, and the 400 Block of Washington, 700 block of Moore, and 700 block of Penn none of them care to clean their neighborhood up.

Ms. Shannon Calluori stated that 726 N. Gordon we are actively working with the bank. We received a structural engineers report.

Mr. Ray O'Connell stated that Council will walk it with Mr. Heffentrager. They are getting a date.

Mr. Julio Guridy stated that we may not have the appropriate members of the city on the walk.

Mr. Michael Hanlon stated that Ms. Calluori asked Mr. Brodhead to go. We have the 20th at 5:30 PM.

Mr. Glenn Hunsicker, 844 N. 11th Street, talked about the Lights in the Parkway Christmas Barn. That has been in jeopardy on who will get the contract. They have been working with Ms. Lindsay Taylor to get this resolved.

Mr. Rob Slodah, 3880 E. Till Road, Center Valley, stated that they have been there over 18 years, participating in the craft barn. It has been a part of the Lights in the Parkway. The agreement has been verbally approved.

Mr. Ray O'Connell asked Ms. Calluori to pass the information to Ms. Taylor. It is also important that we pass it to the Mayor.

Mr. Don Ringer, 2876 Allison Way, thanked the three existing Councilmembers who signed the LCA water bill. He asked them to look at his water rates. We have spent between \$2 - \$23 million for this new pool at Cedar Beach. He asked who has control of the project. He stated that it was a project in back of Stooges and it should have been done in a shorter time. He asked about the Food Trucks.

Mr. Ray O'Connell stated \$1.8 million. The city did most of the project in back of Stooges. It was a big contract. He stated that was asked during CEDC and he agrees with Mr. Ringer that the city should not have a food truck in front of your restaurant.

Mr. Robert Trotner, 1920 Whitehall Street, stated he thinks there are ways to force Mr. Pawlowski out of office and he will be pursuing that. He stated that he doesn't understand why Kenneth Heffentrager have to bring these things to the administration's attention. He asked Council to imagine a system that can handle this.

Mr. Ray O'Connell stated that the city has people out there.

Ms. Shannon Calluori stated that we do have inspectors actively looking for blighted property, trash and high weed issues. We also rely on complaints to make sure that we are targeting properties.

Ms. Candida Affa stated that she is on the Blighted Property Review Board and it is amazing on the hoops we have to go through to get it blighted. We are going to walk around the city in the 10th Ward, but if the people don't

start taking care of their properties along with the landlords.

Mr. Ray O'Connell stated that Ms. Affa is absolutely right and the number are overwhelming.

Mr. Daryl Hendricks stated that he thinks too the problem is they don't have to go look for these, the calls come in.

Mr. Ray O'Connell asked anyone else for courtesy of the floor.

Proclamations:

Eric Gratz – Operations Manager for EMS will accept Proclamation for City of Allentown EMS which is a recipient of the 2015 American Heart Association's Mission: Lifeline® EMS Gold Award for treatment and care of patients suffering severe heart attacks.

Detective Sergeant Bill Williams will accept Proclamation for his heroism and quick response in saving a life while vacationing at Assateague Island National Seashore.

Mr. Eric Gratz stated that he is receiving this Proclamation and has the least amount to do with this. The paramedics that are out there responding to calls are the reason why we achieve this. There are three criterias that we have to meet for this. Jeffrey Baker is a paramedic with 35 years with the city and recently retired.

Mr. Roger MacLean stated that is very appropriate. He knows Jeffrey too,

but I didn't know he retired. I certainly wish him well.

Mr. Ray O'Connell stated that we talked many times and I had a few trips in the ambulance with the paramedics over the years. There is not a more professional group in the city then the Allentown Paramedics.

Detective Sergeant Bill Williams thanked Council. He stated that he thinks he is a reflection of what law enforcement is as a whole. We are called to serve and we answer the call. He stated that he is thankful to be at the right place.

Mr. Julio Guridy thanked Detective Sergeant Bill Williams stated that he read the article and said what an admirable thing to do. He stated that he was proud of Detective Sergeant Bill Williams and his wife and asked his fellow Councilpersons to support him in sponsoring this Proclamation. He wished Detective Sergeant Bill Williams and the entire Police Department the best.

Mr. Daryl Hendricks stated many times he had people come up to him and say aren't you glad you are retired now with all the controversy going on. I tell them, not at all. He stated to Detective Sergeant Bill Williams that you enjoy your job and does it well.

Ms. Cynthia Mota congratulated Detective Sergeant Bill Williams and thanked him for serving. It is extremely important to learn CPR. You were able to save a life.

City Controller's Report

Mr. Jeff Glazier stated that the Bank Reconciliation Review for the month of March 2016 with the most recent finding is that they identified a certain pay deposit. They identified a special pay deposit for \$31 which was still outstanding. Untimely bank reconciliation in March. Additional personnel has been hired and we hope it translates to timely information to the Controller. The audit report from the two interns on Daycare Permit Fees and Liquid Fuel Process Flow. There were a couple of findings in the Daycare audit. A number of forms have to be filled out.

Mr. Ray O'Connell thanked Mr. Glazier.
