
Name: HARB - Historical Architectural Review Board

Type: Board, Authority or Commission

Description: This Board administers the ordinance that designates architectural requirements within the City's two historic districts, the "Old Allentown" and the "Old Fairgrounds" neighborhoods. This Board is organized under state statute, where City Council has appointment authority (City Council requests recommendations from the planning department. The Mayor can submit names to planning, they in turn will forward them to Council). They meet at 7:30 p.m. on the Monday prior to the first City Council meeting of the month. Member Requirements: 12 members consisting of architects, contractors, and residents of the historic districts. Term Limits: 3 year terms (Limit 2 terms)
