2. A-68012 270-282 E. Hamilton St. Appeal of DiBello's Metal Designs for variance to reuse premises for manufacturing of METAL PRODUCTS, being a prohibited use, located in a Highway Business (B-3) District. The applicant considers the request a continuation of a nonconforming use. In the alternative, applicant states that the premises justifies the granting of a variance and requests any other zoning relief necessary to permit the operation of a metal fabrication business at the premises.
