

CITY OF ALLENTOWN

P-CARD REVIEW For the Month: July 2025

December 03, 2025

OBJECTIVE

A purchasing card (also abbreviated as PCard or P-Card) is a form of company charge card that allows goods and services to be procured without using a traditional purchasing process.

Purchasing Cards are issued to employees who are expected to follow the City of Allentown's policies and procedures related to P-Card use, including reviewing and approving transactions according to a set schedule. The City can implement a variety of controls for each P-Card; for example, a single-purchase dollar limit, a monthly limit, merchant category code (MCC) restrictions etc.

The objective of the monthly P-Card review is to review each cardholder's P-Card activity independent of the cardholder, to determine whether the individual payments made with the P-Card and their corresponding documentation comply with the requirements of the policies, guidelines, and procedure outlined in the AIMs and to identify any areas for improvement.

PROCEDURES

A review of all the P-Card transactions generated for the period tested, including a review of the invoices being paid and their corresponding documentation, approvals, compliance to AIMs and reasonableness of expenditure.

of P-Card Statements reviewed: 185

of Documents reviewed: 765

\$ Amount of the P-Card transactions reviewed for the period: \$173,670.17.

FINDINGS AND RESOLUTIONS

1. Purchase of Gift Cards

Per an email sent by Finance on 09/08/2021,

“all gift cards are to be purchased on a Purchase Order and not by a p-card. If you plan on purchasing gift cards, you must enter them on a requisition and work with your buyer...If you have purchased a gift card recently on your p-card, please...provide Purchasing a copy of the gift card numbers (if you still have them) and distribution log.”

We identified 1 (one) purchase for gift cards made directly by HEALTH for **\$106.68**.

Resolution

HEALTH was advised of the issue.

3. Credit Fee and Minimum Order Fee Paid

Per Purchasing, “The P-Card should never be used when the City will be charged any fees.”

We identified:

- 1 (one) PARKS & RECREATION charge which included a Credit Card Processing fee totaling **\$48.96**.
- 1 (one) LAW charge which included a Credit Card Processing fee totaling **\$1.47**.

Resolution

- PARKS & RECREATION: The vendor was contacted, and they cannot refund the credit card fee. They did assure that moving forward, they can remove the fee.
- LAW - LAW is seeking reimbursement of the Credit Card Surcharge.

4. Sales Tax Paid on Invoices

The City of Allentown is tax exempt from PA sales tax.

We identified:

- 1 (one) charge for 1 (one) POLICE invoice with sales tax; the sales tax totaled **\$1.32**.
- 1 (one) charge for 1 (one) SPECIAL EVENTS invoice with sales tax; the sales tax totaled **\$1.05**.

Resolution

- POLICE: POLICE was advised of the issue.
- SPECIAL EVENTS: The sales tax was refunded and deposited.

5. Untimely Payment of Invoices

Although not all vendors have the same payment terms, the prevailing vendor payment terms are net 30.

Currently, the City does not have a standard for the time frame invoices must be entered in EDEN, go thru the EDEN approval queue, and finalize for payment.

Although there is no City standard for the invoice payment process, the Controller's Office uses a 60-day measure to flag any potential untimely invoice payments.

Untimely payments may result in:

- Missed discounts,
- Vendor imposed late fees,
- Possibility of the City's account being placed on hold, and
- Additional workload with the vendor's Accounts Receivable and the City's AP departments.

We identified:

- 4 (four) charges for 5 (five) BUILDING MAINTENANCE invoices dated 12/2024, 03/2025, 04/2025, and 05/2025, and
- 1 (one) charge for 1 (one) POLICE COMMUNICATION invoice dated 03/2025.

Resolution

BUILDING MAINTENANCE –

- 12/2024, 04/2025, and 05/2025 Invoices: There was an issue with vendor's system whereby it was not charging for embroidering. Once the issue was noticed and resolved, an additional invoice to cover the cost was submitted.
- 3/2025 and 05/2025 Invoices: The contract was initiated in March, but there were some issues with the approval process. As a result, the contract was not fully completed and approved until July, which caused a few invoices to be delayed.

POLICE COMMUNICATION - The invoice was paid when the camera was received.

6. Documentation Not Attached in EDEN

To provide a proper audit trail and document the expenditure, the hard copy of the invoice and all pertinent payment information is scanned and attached in EDEN.

For the July 2025, the following departments did not have the proper documentation attached in MUNIS:

- MAYOR'S OFFICE – 3 (three) instances, and
- POLICE COMMUNICATION – 1 (one) instance.

Resolution

The Bureaus were advised of the issue and scanned the proper documentation.
