Re: **Petition to Vacate a Segment of Type Street**

Please be advised that at the monthly meeting of the Allentown City Planning Commission held on February 13, 2024, the proposed vacation of a segment of Type Street in Downtown Allentown, from S. 8th Street westward up to where it dead ends mid-block – petitioned by the City of Allentown – was reviewed.

After deliberations, the ACPC – in a unanimous vote -- recommended against the vacation of the street but favored eliminating vehicular access to Type Street to complete the streetscape project.

For reference, attached are excerpts from the minutes of the ACPC meeting and, the Planning Staff report to the ACPC. As well, we were made aware that the respective reports from the City's Public Works Department and the LVPC on the matter have been sent to City Council on separate covers.

Should you have any questions concerning this action, please contact me.

Yours truly,

Gomez,
Jennifer
