Interests & Experiences

Please tell us about yourself and why you want to serve.

Why are you interested in serving on aboard or commission?

Since I was little, I've wanted to help. My parents taught us to care for and protect our family, neighbors and community. That's why I studied to become a teacher, because I believe educating is the way to help our country improve.

When I arrived in this city to care for my parents (who are now deceased), I continued with that concern. I volunteered at the "Casa Guadalupe", where I shared time with my parents and helped the kitchen staff and with other necessary

tasks. Also joined a Puertorrican Culture Preservation (PRCP), where taught Puerto Rican dance classes to a group of children, youth, and adults.

I participated in the last Citizen's Police Academy to learn how to protect my community and raise awareness about the work of the police. I was also a member of the Walnut Manor Residents Board, first as secretary and then as vice president. Lastly and most important, I am part of a group that studies the Bible every Wednesday night.

Due to my parent's health issues, I left my volunteer work and dedicated myself to them.

Right now, I have the time to dedicate to the community work that I love so much and try to improve the housing conditions in our city.
