- **What department or bureau is this bill originating from? Where did the initiative for the bill originate?**
DCED, Health
- **Summary and facts of the bill.**
Council passed Bill 97 amending the 2025 General Fund budget to include an Unhoused Services Coordinator as a position in the Health Bureau, allocating \$150,000. This Bill creates the position of the Unhoused Services Coordinator.
- **Purpose – Please include the following in your explanation:**
 - a. **What does the bill do? What are the specific goals or tasks the bill seeks to accomplish?**
This bill creates the position of an Unhoused Services Coordinator for the City of Allentown which was added to the 2025 budget through Bill 97. This position will perform a variety of duties in unhoused services and other related program areas and as applicable including developing and maintaining a comprehensive strategic plan for addressing homelessness in the City of Allentown; working in partnership with City departments as well as both new and established outside partner agencies; coordinating efforts by City and outside agencies to meet the needs of the unhoused and unstably housed; providing education and outreach to the community; collecting, analyzing, and reporting data to and from partner agencies; and participating in other related task forces or groups.
 - b. **What are the benefits of doing this? What are the drawbacks?**
It creates the position of the Unhoused Services Coordinator whose funds were voted on by Council at the 12/18 meeting. This position will enable the city to strategize around how to support and coordinate services for the unhoused population in the city as well as coordinate agencies within the City and County to direct resources effectively.
 - c. **How does this bill relate to the City’s vision/mission/priorities?**
This supports the City’s mission of a safer, cleaner and healthier Allentown as well as trying to provide equitable services and resources to all Allentonians, including our unhoused population.
- **Financial Impact – Please include the following in your explanation:**
 - a. **Cost (initial and ongoing)**
Council allocated \$150,000 to support salary and other expenses.
 - b. **Benefits (initial and ongoing)**
Streamline city resources and services to potentially decrease costs when responding to situations involving the unhoused community; collect and analyze data more effectively to understand the problem affecting residents as well as leverage data to gain additional funding for the City and its community partners.
- **Funding Sources – Please include the following in your explanation:**
 - a. **If transferring funds, please make sure to give specific account names and numbers. If appropriating funds from a grant, please list the agency awarding the grant.**

This funding for this position was allocated to 000-09-0908-0001-46 as a placeholder in 2025 Budget Amendment #2. This ordinance creates a new program within the Health Bureau and transfers the funding to the below accounts. The position will be an 11N – Exempt with \$150,000 allocated to support salary and other operational expenses.
