- Description of project or scope of services to be provided:

On January 2, 2024, the City advertised a solicitation for professional consulting and engineering design services related to the D&L Trail: Allentown East Segment Design. The CONSULTANT will design, test, analyze, draw, survey, acquire permits and prepare contract plans and specifications for the D&L Trail from the existing trail on N. Bradford St. by Liberty St. to the City boundary line on Dauphin St. across from St. Luke's Way. Design considerations shall be in accordance with Attachment No. 1, Conceptual Plan - D&L Trail - Allentown East Feasibility Study. On February 14, 2024, the public opening was held for which the City received six (6) proposals; however, one (1) proposal was rejected due to including cost in their technical proposal. The five (5) remaining proposals were distributed to all committee members via Teams for evaluation. The Technical evaluation was held on February 21, 2024, all committee members were present. The proposals were scored based on the following: IBE Preference (10 Points), Ability to Meet RFP Requirements (25 Points), Firm's Experience (25 Points), and Project Plan (25 Points). The Cost proposals were opened on February 21, 2024, and distributed to all committee members via Teams for evaluation after the completion of the Technical evaluation. The Cost evaluation was held on March 4, 2024, all committee members were present. The committee members discussed the Cost proposals (25 Points). The committee did not feel it was necessary to move forward with oral presentations. The evolution committee completed both Technical and Cost evaluations on the proposals, the committee decided to award based on the firm's qualifications and overall score. The committee is recommending award to Michael Baker International, Inc.

- Contract Term:

The Contract term shall commence upon full execution and shall cease one (1) year thereafter.

- List any renewal term options and duration of each renewal, if any:

Upon written agreement, this contract may be extended for up to an additional five (5) one (1) year renewals beyond the contract expiration period.

- Maximum dollar value of all renewals provided for beyond the original term as if all renewals were exercised:
