Dear City Clerk,

My name is Marilyn Miller and I am writing regarding naming the 2000 block of West Liberty Street to Rose Kennedy Way. I was a dear friend of Rosie's since we were in 5th grade together. The highlight of the year for Rosie was the St Patrick's Day Parade, she loved hosting a parade party for family and friends. Of course, porch parties at 2007 Liberty held any time of the year were an event we all loved to attend and enjoy. I'm hoping this request is looked upon not just as a way of remembering my dear friend but also as a way to celebrate all the joys and memories we shared with Rosie.

Thank you for your support in this endeavor.

Sláinte,

Marilyn
