REASON TRANSFER IS REQUIRED:					
The current sprayer used on the golf course is nearing the end of its service life and has become increasingly unreliable. To ensure continuous and efficient course maintenance, it is essential to purchase a new sprayer at this time. Acquiring a replacement now will prevent potential downtime and operational delays that could occur if the existing unit were to fail unexpectedly. Proactive replacement will help maintain turf quality, support uninterrupted course operations, and reduce the risk of costly emergency repairs.					
REASON FUNDS ARE AVAILABLE FOR TRANSFER:					
Funds for this purchase are available. As we continue developing the irrigation plan for next year, not all allocated capital funds were utilized this season. These remaining capital funds are available for qualifying capital purchases, making this an appropriate and timely investment.
