- What department or bureau is this bill originating from? Where did the initiative for the bill originate?

The bill originated from the Allentown Fire Department. The Allentown Fire Department was awarded a Department of Homeland Security grant to purchase Wellness and Fitness Equipment.

- Summary and facts of the bill.

The Bill will provide funding for the purchase of Wellness and Fitness equipment. This funding will bring the Allentown Fire Department in compliance with NFPA 1983 standards for Health-related fitness programs for firefighters. It establishes the minimum requirements for a health-related fitness program for fire department members who are involved in rescue, fire suppression, first-responders, hazardous materials operations, special operations and related activities.

In order to be fit for duty, firefighters have to be physically and psychologically prepared to endure the demands of this profession. This standard requires fire departments to establish a "health-related fitness program that enables members to develop and maintain a level of health and fitness to safely perform their assigned functions".

- Purpose – Please include the following in your explanation:
