The 1% ppen1% ded code that began on PP ID #853 is not populating on the Penn. Pension Edit report. I have a Tyler support ticket started to correct this bended extract for #853 so that future reports show the correct contribution amount.

In this case, the refund amount should be verified with a Benefits & Deductions Pay Period Report (sheet 1).

PP ID #854 and the 2 periods after are correctly showing all 3 APD pension deduction codes. It is only #853 that requires a new extraction. 05/09/23 JP

Hi Merveille,

Thank you for your service to Allentown.

While a member of the APD, you were contributing to the police pension fund via payroll deductions. This retirement savings is due to be returned to you.

A written request for refund is required for approval by the Pension board. Please send me an email with the following:

1. written request for refund of pension contributions
2. last day of employment
3. indicate refund by paper check, direct deposit or rollover to another qualified retirement savings account
4. name
5. phone number
6. email address
7. mailing address

If opting for direct deposit, please complete the attached form.

Note- a voided check is not required if using the same bank account as when employed.

If you have any questions, please let me know.

Thank you,

Jen
