Reason Transfer is Required:

The inserter machine in the mailroom needed to be replaced. The equipment had aged to the point where manual force had to be applied to keep certain parts from shifting during use. It was breaking down frequently during peak billing cycles resulting in potential mailing delays and an overall lack of efficiency with the extra manpower being needed both to hold the machine together and manual stuffing of envelopes when the machine jammed. This was not a budgeted for in 2023.

Reason Funds are Available for Transfer:

A payment made late in 2022 to the City's USPS account covered the 1st quarter 2023 mailings, and the account has not required replenishing to-date in 2023. We are hopeful that with the implementation of EnerGov and electronic billing in the fall of 2023, the cost of bulk postage will be less than budgeted for.
