## Legislative Template

- What department or bureau is this bill originating from? Where did the initiative for the bill originate?

Public Works – Traffic Planning and Control

- Summary and facts of the bill.

The City was awarded a Green-Light-Go (GLG) grant in the amount of \$1,378,560. As part of the grant requirements, the City needed to provide a \$344,640 match. The match funds have been secured; however, the grant funds of \$1,378,560 need to be transferred into the capital account so the work can be done. Since this is a reimbursable grant, the funds will be reimbursed to the general fund capital fund account (001-1010) when the project is completed. The total estimated project cost will be \$1,723,200.

This grant is to install a traffic adaptive system on American Parkway/Basin Street from Susquehanna Street to Airport Road.

- Purpose – Please include the following in your explanation:
  - a. What does the bill do? What are the specific goals or tasks the bill seeks to accomplish?

This bill is to transfer funds from the Capital Fund (001-1010) to the capital account American Parkway Traffic Signal Improve (2035)

Since this is a reimbursable grant, the funds needed are a “loan” from the Capital Fund and will be reimbursed when the work is completed.

- b. What are the benefits of doing this? What are the drawbacks?

The City was awarded this grant and have entered into an agreement to complete the work within this Green-Light-Go (GLG) grant.
